Beginner's Handbook

Never heard of Open Source Strokers and have no idea what's going on? This is the book for you!

- Notes

Notes

This page is a messy, temporary page to post links and/or notes that might be useful for beginners. Eventually this will be compiled into a more coherent guide.

Stuff needed:

- USB Serial Drivers: https://www.silabs.com/developers/usb-to-uart-bridge-vcp-drivers?tab=downloads

How to connect to PC / macOS

What software is available.

guide for each software.
